

Workshop (3 d)

Coaching for Business Central

EN

You have just introduced Microsoft Dynamics 365 Business Central in your company and would like to deepen your knowledge in order to optimally use all advantages and functionalities? You are new to the company and want to quickly find your way around the business software?

Put together your personal 3-day coaching package from various topics:

Topics:

- Financial Management
- Customer Relationship Management
- E-Services
- Human Resources Management
- Project Management
- Supply Chain Management
- Warehouse Management and Inventory
- Service Order Management
- Manufacturing
- BI and Reporting / Power BI
- Office 365

Your benefits:

Tailored to your personal focal points, you will receive optimized coaching. Use the intelligent workflows and evaluations in your daily work and become a Business Central specialist in your company. You benefit from:

- Acceleration of your financial close
- Transparency across your entire supply chain
- Control over purchasing processes at all times
- Improved customer service
- Status monitoring of your projects in real-time data
- Optimized production and warehouse processes
- Clear evaluations in Power BI
- ...
